

Fellow TMPA Members and Supporters:

For more than 60 years TMPA has represented the interests of law enforcement officers at state, local and national levels. Through the Political Action Committee (PAC) fund, TMPA contributes to the campaigns of those champions who support law enforcement by helping us pass legislation supporting better pay and working conditions while ensuring strong criminal justice. We are not aligned with any particular party; we support legislators if they support Texas law enforcement.

In the last few years we have seen an all-out attack on law enforcement officers. We are certain these attacks will continue in the 84<sup>th</sup> Session in January 2015—including continued assaults on **your earned pensions**. Your TMPA PAC contributes to the campaigns of those who support our efforts and agree to **protect your pensions**. As a result, during the last session we were able to stop **all the bills** that would have cut, limited or changed your pensions. **TMPA dues money cannot be used to fund the PAC**, therefore your PAC contributions are the only funds we have to support our friends in the Texas legislature.

The voice of Texas peace officers is crucial to the legislative process and our continued success depends on your contributions. We appreciate your support; your contributions ensure your voice is heard.

Sincerely, Kevin Lawrence, Executive Director
